

A background image of space featuring the Earth's horizon at the bottom, a bright orange and yellow arc of light on the left, and a starry night sky with a faint galaxy visible in the center.

WELCOME TO SPACE INNOVATION FORUM

JOHANNA BERGSTRÖM ROOS

Project Manager RIT2021
LTU Business

PHILIP PÅLSSON

Strategic Business Manager
SSC/Esrang Space Center

OLLE NORBERG

Vice Rector, Space, LTU

A cosmic background featuring a view of Earth's horizon from space. A bright, glowing arc of light curves across the top of the frame, set against a starry night sky with a visible galaxy. The Earth's surface is visible at the bottom, showing a blue and white atmosphere.

WHY SPACE

SPACE BUSINESS IS GROWING

RESEARCH, INFRASTRUCTURE & COMPANIES WITH HIGH
TECH PRODUCTS & SERVICES ARE DRIVING THE
DEVELOPMENT

RIT2021

WE ARE WORKING TO BECOME A STRATEGIC ASSET FOR THE GLOBAL SPACE ARENA
BY BUILDING UP AN ECOSYSTEM THAT ATTRACTS PEOPLE, NEW ESTABLISHMENTS AND INVESTORS

RIT

2015-2018

RIT strengthened the regional ecosystem in the space industry by stimulating collaboration between industry, academia and the innovation support system.

RIT 2021

2019-2021

RIT2021 will establish a strong innovation system to create growth in the space industry in the region through collaboration, research, test-driven development and clusters.

TARGET GROUPS FOR SIF10

- ✓ International Rocket Motor Developers
- ✓ Space Industry (regional, national, international)
- ✓ Academia (research and education)
- ✓ Suppliers in the region of Norrbotten
- ✓ Finansiers and Supporters to build the Space Business

11 March at Space Campus

13.00 Welcome to Space Innovation Forum

Johanna Bergström Roos, project manager RIT 2021

13.15 The business of Microlaunchers

Philip Pålsson, Strategic Business Manager at Espace Space Centre

13.45 Small Satellites driving the market of Microlaunchers

Tor-Arne Grönland, Senior Director Business Development & Propulsion at GomSpace

14.05 Financing & Support

Kiruna kommun, Swedish National Space Agency, Rymdstyrelsen, ESA-BIC Sweden, LTU Business, Vinnova, Invest in Norrbotten, Region Norrbotten and Sparbanken Nord

14.45 Coffee break in the Light Garden

15.20 Testing and development of Microlaunchers

Mathieu Rayer, Test Manager at Rocket Factory (RFA)

Daniel Metzler, CEO at Isar Aerospace

Philip Pålsson, Strategic Business Manager, SSC/Espace Space Centre

Élcio Jeronimo de Oliveira, Senior Lecturer at LTU

16.40 Short break

16.50 Panel Discussion

Philip Pålsson (SSC), Anne Lidgard (Vinnova), Mathieu Rayer (RFA),

Daniel Metzler (Isar Aerospace), Tor-Arne Grönland (GOMSpace), Mate Kerényi (IRF)

17.30 Networking in the Exhibition Area

18.30 Bus to Scandic Hotel Ferrum

19.30 Dinner

Welcome back!

12 March at Hotel Ferrum

Good morning and Welcome back!

08.00 How important is the regional Ecosystem in order to grow the space business?

Anne Lidgard, Director, Senior Advisor at Vinnova

08.45 Pitches of Suppliers (3 minutes)

IRF, Composite Services, JIT Mech, PASQ, Alto University, RISE, Actas Konsult, Midroc Automation, SGO, GKN Aerospace, Propelles Small Satellite Start-up, Grepit AB, LTU Product Innovation, OHB Sweden, and Mirror

09.45 1-to-1-meetings – Networking - Coffee

11.30 Conclusions and the next step

12.00 Lunch

Welcom back on 29-30 September
