# Programme

- 08.30 Welcome, Johanna Bergström Roos, LTU Business.
- 08.40 What is going on within RIT2021  
WP1 – R&D industry/academy, Marta-Lena Antti & Anna Öhrwall, Luleå University of Technology.  
WP2 – Testbed Space, Olle Norberg, Luleå University of Technology.  
WP3 – Innovation support, Emil Svanberg, RiSE.  
WP4 – Aerospace Cluster Sweden, Olle Persson, Luleå University of Technology.
- 09.05 The impact of aerospace in our region today and tomorrow  
Alexander Bergström and Johanna Vesterberg, LTU Business.
- 09.40 Break (10 minutes)
- 09.50 Developing a space ecosystem at Harwell Space Cluster  
Joanna Hart, Harwell Space Cluster.

# Programme

- 10.20 Regional impact around Northvolt in Skellefteå  
Ida Lind, Skellefteå Municipality.
- 10.35 Development of the aerospace sector in the region of western Sweden  
Henrik Runnemalm, GKN Aerospace.
- 10.50 The attraction of a region from the investor's perspective  
Niklas Österberg, Arctic Ventures.
- 11.05 Break (10 minutes)
- 11.15 Panel discussion: What is needed in an attractive space region?  
Today's speakers and invited guests: Johan Köhler at Swedish National Space Agency,  
Karin Holmqvist at SSC, Nils-Olof Lindfors at Region Norrbotten, Stefan Sydberg at  
Kiruna Municipality and Jörn Spurmann at RFA.
- 12.00 End
